Bureau for Democracy, Conflict and Humanitarian Assistance (DCHA)	Leigh Carlson	Active Communities - Effective States (ACES)	The purpose of this award is to provide technical assistance and advisory services, training, and direct program implementation to support good governance, transparency, and accountability in host countries. This award is designed to foster greater accountability of institutions and leaders to citizens and to the law by strengthening linkages among government actors and enhancing state institutions accountability to citizens. The activities implemented under this award will contribute directly to the achievement of the overarching goal of USAID's Strategy on Democracy, Human Rights and Governance, which is to support the establishment and consolidation of inclusive and accountable democracies to advance freedom and development. This award will enable Missions which issue task orders under it to select from a range of programming options. In addition, the award will enable USAID and the U.S. Government (USG) to respond rapidly to windows of opportunity for governance in countries undergoing transition.
